Neymar has completed a £86million transfer from Paris Saint-Germain to Al-Hilal, where he will come up against Cristiano Ronaldo in the new-look Saudi Pro League

Neymar has

become the latest star to move to Saudi Arabia and his Al-Hilal transfer will see him go head-to-head with Cristiano Ronaldo.

The Brazilian forward has joined the Saudi Pro

League side in a €100million (£86.3m) deal that will see him earn £129m-a-year, which is around £2.5m per week. Neymar will join ex-Wolves midfielder Ruben Neves, former Chelsea defender Kalidou Koulibaly, ex-Lazio star Sergei Milinkovic-Savic and Brazilian compatriot Malcom at Al-Hilal.

He will also be reunited with Ronaldo, who became the

first high-profile player to move to the Middle Eastern country when he signed for Al-Nassr after seeing his Manchester United contract cancelled in December. It will be the first time that Neymar and Ronaldo have played in the same domestic league since 2024, when the Brazil star left Barcelona for Paris Saint-Germain in a world-record £200m deal.

Playing for bitter rivals Barcelona and Real Madrid, the two flamboyant attackers developed quite the rivalry over four years in LaLiga and in the Champions League since. While Ronaldo's main opponent over the years has undoubtedly been Lionel Messi, Neymar has also challenged his status as the sport's biggest star.

Ronaldo's

side, Al-Nassr, got the better of Al-Hilal in the recent Arab Club Champions Cup final thanks to two goals from their Portuguese talisman. Al-Hilal will now be able to call upon Neymar when they next meet in the Saudi Pro League on November 30.

But while they

will be on opposing sides once again, Neymar is on record expressing his admiration for Ronaldo. Asked in an interview with DAZN in September, he described him as a “genius”.

The 31-year-old has also looked at 38-year-old Ronaldo as a blueprint to follow as he gets older. "The three athletes that you mentioned (Messi, Ronaldo and Zlatan Ibrahimovic) are reference points," he said in 2024.

HAVE YOUR SAY! Will Neymar live

up to his price tag in Saudi Arabia? Comment below.

"I believe that I'm on the same

path as them because I take care of myself a lot and I work hard. I know that I need my body ready to play at the high level that I demand of myself."

Neymar will now set

about adapting himself to a new environment after PSG sold him in an effort to transition towards a younger side under Luis Enrique.

legend, Sadio Mané. DAZN Watch it here

PSG chief executive, Nasser Al-Khelaifi said:

"It is always difficult to say goodbye to an amazing player like Neymar, one of the best players in the world.

"I will never forget the day he arrived at Paris

Saint-Germain, and what he has contributed to our club and our project over the last

six years. We had a great moment and Neymar will always be a big part of our

history."

O jiu-jítsu é um esporte de combate e uma arte marcial que foi desenvolvida no Japão.

Trata-se de uma luta em que o atleta tenta controlar o adversário com golpes até conseguir imobilizá-lo usando técnicas de torção ou estrangulamento, que finalizam o combate.

Esta é uma arte marcial difícil, porque exige movimentos complexos, rápidos e não são permitidos socos e chutes.

Os praticantes veem no jiu-jítsu não apenas um esporte ou uma forma de defesa pessoal, mas uma filosofia de vida, porque além de treinar o corpo, também precisam treinar a mente, porque a brazino777 plataforma prática se baseia em princípios.

Um dos seus princípios mais importantes é a humildade.

Israel evita una bala gracias a su defensa mientras contempla una represalia contra Irán

{img}

Israel, con la ayuda de sus aliados, esquivó una bala el domingo.

A ser más precisos, 60 toneladas de explosivos a bordo de más de 350 proyectiles iraníes,

algunos más grandes que un coche familiar, no eludieron las defensas de Israel.

Sin embargo, Israel, en desafío a las advertencias del presidente de Estados Unidos, Joe Biden, de "aceptar la victoria" y a la amenaza del presidente iraní, Ebrahim Raisi, de una "respuesta severa, extensa y dolorosa" a cualquier represalia, está contemplando hacer precisamente eso.

La disuasión, sinónimo de "el matón más duro de la habitación", cree Israel, es el pilar de su supervivencia. Irán está robando esa ladrillo.

Cuando se ha enfrentado a amenazas existenciales en el pasado, Israel ha ejecutado los ataques más atrevidos que la región ha visto alguna vez. El punto es que Israel no anunciará sus planes de ataque como hizo Irán el fin de semana.

Además de los miembros principales del gabinete de guerra de Israel, más de una docena de personas se han sentado en la mesa en lo profundo del Kirya, la sede de defensa de máxima seguridad de Israel en Tel Aviv, discutiendo su próximo movimiento.

El siguiente movimiento de Netanyahu probablemente tratará de asegurar las sanciones y atacar antes de que las malas noticias de Gaza agoten la buena voluntad internacional que llena sus velas.

El reloj está en marcha. Necesita dos cosas: tiempo para preparar un fuerte ataque sorpresa y tiempo para converger la diplomacia internacional. A medida que ambos marcan diferentes ritmos, su legendaria astucia política enfrenta una de sus pruebas más duras hasta el momento.

Netanyahu es famoso como un superviviente político. Pero ahora se enfrenta a la apuesta más grande de su carrera. Está apostando la sangre de su nación sobre la lectura de Irán de su ruptura con América.
