Our friendly, professional dealers greet

players and interact throughout the game. Players take their virtual seat and try to achieve a hand that's closer to 21 than the dealer's hand. It's really simple to enjoy the game with its choice of optional Insurance, Double Down and Split Pair bets. Our Live Blackjack tables include a wide range of tables from low stakes up to VIP to suit all player types.

SPEED BLACKJACK Speed Blackjack is our fastest Blackjack yet and the

latest addition to our Speed family of games! The game follows the same rules as regular Blackjack but with a key difference – the dealing order when it is time for the player to make their decision. Each player's first two cards are dealt as normal. When the dealing is complete, all players are simultaneously offered the opportunity to Hit, Double Down or Split. The player who makes the fastest decision will get their next

card dealt first.

**INFINITE BLACKJACK** Massively scalable Live Blackjack with unlimited seats at the table, low bet limits, four optional side bets (Any Pair, 21+3, Hot 3 and Bust It) and the Six Card Charlie rule. In the main game a limitless number of players are dealt a common initial two-card hand. Thereafter, each player has complete freedom to play that hand just the way they want.

**LIGHTNING BLACKJACK** Lightning Blackjack is classic Blackjack, but electrified with RNG-based Lightning Card multipliers in every game round for greater thrills. What's more, the free bets are automatically offered to the player whenever their hand qualifies, so there's no effort required by the player. Free Bet Blackjack includes optional side bets (Perfect Pair and 21+3) and the Bet Behind feature. Free Bet Blackjack is also available as the popular Infinite version, where players never have to wait for a seat again.

Alternatively, a player in one of the main seats can choose to bet behind any other seat. Low stakes for the Bet Behind option can encourage new players to sample the thrill of Live Blackjack.

**Side Bets** The Perfect Pairs and 21+3

side bets add extra interest and betting opportunities. Perfect Pairs side bet: The player can win if the first two cards they are dealt make up a Mixed, Coloured or Perfect Pair. 21+3 side bet: The chance to win on a whole range of Poker-style card combinations made up of the player's first two cards and the one open card (upcard) in the dealer's hand.

**Initial Decision** Initial decision\* cuts waiting time by allowing players in seats two to seven to make initial decision bets. In other words, players don't have to wait for their turn – they can make their initial decision to Hit, Stand, Double Down or Split at the same time that the player in seat one is asked to make his or her betting decision. \*Please note that initial decision is not available on Infinite, Free Bet, Power Blackjack and Speed Blackjack.
