An ace-high straight flush, commonly known as a royal flush, is the best possible hand in many variants of poker.

In poker, players form sets of five playing cards, called hands, according to the rules of the game.[1] Each hand has a rank, which is compared against the ranks of other hands participating in the showdown to decide who wins the pot.[2] In high games, like Texas hold 'em and seven-card stud, the highest-ranking hands win. In low games, like razz, the lowest-ranking hands win. In high-low split games, both the highest-ranking and lowest-ranking hands win, though different rules are used to rank the high and low hands.[3][4]

Each hand belongs to a category determined by the patterns formed by its cards. A hand in a higher-ranking category always ranks higher than a hand in a lower-ranking category. A hand is ranked within its category using the ranks of its cards. Individual cards are ranked, from highest to lowest: A, K, Q, J, 10, 9, 8, 7, 6, 5, 4, 3 and 2.[5] However, aces have the highest rank under ace-to-five high or six-to-ace low rules, or under high rules as part of a five-high straight or straight flush.[6][7] Suits are not ranked, so hands that differ by suit alone are of equal rank.[8]

There are nine categories of hand when using a standard 52-card deck, except under ace-to-five low rules where straights, flushes and straight flushes are not recognized. An additional category, five of a kind, exists when using one or more wild cards. The fewer hands a category contains, the higher its rank.[9] There are $52! / (52 - 5)! = 311,875,200$ $\{\displaystyle {\begin{matrix}\frac{52!}{(52-5)!}=311{,}875{,}200\end{matrix}}\}$ ways to deal five cards from the deck but only $52! / (52 - 5)! = 2,598,960$ $\{\displaystyle {\begin{matrix}\frac{52!}{(52-5)!}=2{,}598{,}960\end{matrix}}\}$ distinct hands, because the order in which cards are dealt or arranged in a hand does not matter.[10] Moreover, since hands differing only by suit are of equal rank, there are only 7,462 distinct hand ranks.[11]

Hand-ranking categories [edit]

* Only possible when using one or more wild

cards ** Category does not exist under ace-to-five low rules

Five of a kind [edit

]

Five of a kind, aces

Five of a kind is a hand that contains five cards of one rank, such as 3 3 3 3 3 ("five of a kind, threes"). It ranks above a straight flush but is only possible when using one or more wild cards, as there are only four cards of each rank in the deck.[6] Five of a kind, aces, A A A A Jkr, becomes possible when a joker is added to the deck as a bug, a form of wild card that may act as a fifth ace.[5] Other wild card rules allow jokers or other designated cards to represent any card in the deck, making it possible to form five of a kind of any rank.[12]

Each five

of a kind is ranked by the rank of its quintuplet. For example, Q Q Q Q Q ranks higher than 6 6 6 6 6.[6][13]

Straight flush [edit]

A jack-high straight flush

A

straight flush is a hand that contains five cards of sequential rank, all of the same suit, such as Q J 10 9 8 (a "queen-high straight flush").[4] It ranks below five of a kind and above four of a kind.[5] Under high rules, an ace can rank either high (as in A K Q J 10, an ace-high straight flush) or low (as in 5 4 3 2 A, a five-high straight flush), but cannot simultaneously rank both high and low (so Q K A 2 3 is an ace-high flush, but not a straight).[6][13] Under deuce-to-seven low rules, an ace always ranks high (so 5 4 3 2 A is an ace-high flush). Under ace-to-six low rules, an ace always ranks low (so A K Q J 10 is a king-high flush).[14] Under ace-to-five low rules, straight flushes are not possible (so 9 8 7 6 5 is a nine-high hand).[7]

Each straight flush is ranked by the rank of its

highest-ranking card. For example, 10 9 8 7 6 ranks higher than 8 7 6 5 4, which ranks higher than 6 5 4 3 2. Straight flush hands that differ by suit alone, such as 7 6 5 4 3 and 7 6 5 4 3, are of equal rank.[6][13]

An ace-high

straight flush, such as A K Q J 10, is called a royal flush or royal straight flush and is the best possible hand in ace-high games when wild cards are not used.[5][15][16] A five-high straight flush, such as 5 4 3 2 A, is called a steel wheel and is both the best low hand and usually the best high hand of the showdown in ace-to-five high-low split games.[4]

Four of a kind [edit]

Four of a kind, fives

Four

of a kind, also known as quads, is a hand that contains four cards of one rank and one card of another rank (the kicker), such as 9 9 9 9 J ("four of a kind, nines"). It ranks below a straight flush and above a full house.[5]

Each four of a kind is ranked

first by the rank of its quadruplet, and then by the rank of its kicker. For example, K K K K 3 ranks higher than 7 7 7 7 Q, which ranks higher than 7 7 7 7 10. Four of a kind hands that differ by suit alone, such as 4 4 4 4 9 and 4 4 4 4 9, are of equal rank.[6][13]

Full house [edit]

A full house, sixes over

kings

A full house, also known as a full boat or a tight or a boat (and originally called a full hand), is a hand that contains three cards of one rank and two cards of another rank, such as 3 3 3 6 6 (a "full house, threes over sixes" or "threes full

of sixes" or "threes full").^{[17][18]} It ranks below four of a kind and above a flush.^[5]

Each full house is ranked first by the rank of its triplet, and then by the rank of its pair. For example, 8 8 8 7 7 ranks higher than 4 4 4 9 9, which ranks higher than 4 4 4 5 5. Full house hands that differ by suit alone, such as K K K J J and K K K J J, are of equal rank.^{[6][13]}

Flush [edit]

A jack-high

flush

A flush is a hand that contains five cards all of the same suit, not all of sequential rank, such as K 10 7 6 4 (a "king-high flush" or a "king-ten-high flush").^[19] It ranks below a full house and above a straight.^[5] Under ace-to-five low rules, flushes are not possible (so J 8 4 3 2 is a jack-high hand).^[7]

Each flush

is ranked first by the rank of its highest-ranking card, then by the rank of its second highest-ranking card, then by the rank of its third highest-ranking card, then by the rank of its fourth highest-ranking card, and finally by the rank of its lowest-ranking card. For example, K J 9 6 4 ranks higher than Q J 7 6 5, which ranks higher than J 10 9 4 2, which ranks higher than J 10 8 6 3, which ranks higher than J 10 8 4 3, which ranks higher than J 10 8 4 2. Flush hands that differ by suit alone, such as 10 8 7 6 5 and 10 8 7 6 5, are of equal rank.^{[6][13]}

Straight [edit]

A ten-high straight

A straight is a hand that contains five cards of sequential rank, not all of the same suit, such as 7 6 5 4 3 (a "seven-high straight"). It ranks below a flush and above three of a kind.^[5] Under high rules, an ace can rank either high (as in A K Q J 10, an ace-high straight) or low (as in 5 4 3 2 A, a five-high straight), but cannot simultaneously rank both high and low (so Q K A 2 3 is an ace-high hand).^{[6][13]} Under deuce-to-seven low rules, an ace always ranks high (so 5 4 3 2 A is an ace-high hand). Under ace-to-six low rules, an ace always ranks low (so A K Q J 10 is a king-high hand).^[14] Under ace-to-five low rules, straights are not possible (so 10 9 8 7 6 is a ten-high hand).^[7]

Each straight is ranked by the rank of its highest-ranking card. For example, J 10 9 8 7 ranks higher than 10 9 8 7 6, which ranks higher than 6 5 4 3

2. Straight hands that differ by suit alone, such as 9 8 7 6 5 and 9 8 7 6 5, are of equal rank.^{[6][13]}

An ace-high straight, such as A K Q J 10, is called

a Broadway straight,^[20] while a five-high straight, such as 5 4 3 2 A, is called a baby straight,^[21] bicycle or wheel and is the best possible hand in ace-to-five low games (where it is a high card hand, not a straight).^{[22][23]}

Three of a kind [edit]

]

Three of a kind, queens

Three of a kind, also known as trips or a set, is a hand that contains three cards of one rank and two cards of two other ranks (the kickers), such as 2 2 2 K 6 ("three of a kind, twos" or "trip twos" or a "set of twos"). It ranks below a straight and above two pair.^[5]

Each three of a kind is ranked first by the

rank of its triplet, then by the rank of its highest-ranking kicker, and finally by the rank of its lowest-ranking kicker. For example, 6 6 6 Q 4 ranks higher than 3 3 3 K 2, which ranks higher than 3 3 3 J 7, which ranks higher than 3 3 3 J

5. Three of a kind hands that differ by suit alone, such as 9 9 9 10 8 and 9 9 9 10 8, are of equal rank.[6][13]

In community card games, such as Texas hold 'em, three of a kind is called a set only when it comprises a pocket pair and a third card on the board.[24]

Two pair [edit]

Two pair, jacks and threes

Two pair is a hand that

contains two cards of one rank, two cards of another rank and one card of a third rank (the kicker), such as J J 4 4 9 ("two pair, jacks and fours" or "two pair, jacks over fours" or "jacks up").[17][25] It ranks below three of a kind and above one pair.[5]

Each two pair is ranked first by the rank of its higher-ranking pair, then by the rank of its lower-ranking pair, and finally by the rank of its kicker. For example, 10 10 2 2 K ranks higher than 5 5 4 4 10, which ranks higher than 5 5 3 3 Q, which ranks higher than 5 5 3 3 J. Two pair hands that differ by suit alone, such as K K 7 7 8 and K K 7 7 8, are of equal rank.[6][13]

One pair [edit]

]

One pair, tens

One pair, or simply a pair, is a hand that contains two cards of one rank and three cards of three other ranks (the kickers), such as 4 4 K 10 5 ("one pair, fours" or a "pair of fours"). It ranks below two pair and above high card.[5]

Each one pair is ranked first by the rank of its pair, then by the rank of its highest-ranking kicker, then by the rank of its second highest-ranking kicker, and finally by the rank of its lowest-ranking kicker. For example, 9 9 Q J 5 ranks higher than 6 6 K 7 4, which ranks higher than 6 6 Q J 2, which ranks higher than 6 6 Q 8 7, which ranks higher than 6 6 Q 8 3. One-pair hands that differ by suit alone, such as 8 8 10 6 5 and 8 8 10 6 5, are of equal rank.[6][13]

High card [edit]

High card, king

High card, also known as no pair or

simply nothing, is a hand that does not fall into any other category, such as K J 8 7 4 ("high card, king" or "king-jack-high" or "king-high").[17][26] Note that under ace-to-five low rules, straights, flushes and straight flushes are not possible, so such hands are instead high card hands.[7] It ranks below one pair.[5]

Each high card

hand is ranked first by the rank of its highest-ranking card, then by the rank of its second highest-ranking card, then by the rank of its third highest-ranking card, then by the rank of its fourth highest-ranking card, and finally by the rank of its lowest-ranking card. For example, K 6 5 3 2 ranks higher than Q J 6 5 3, which ranks higher than Q 10 8 7 4, which ranks higher than Q 10 7 6 4, which ranks higher than Q 10 7 5 4, which ranks higher than Q 10 7 5 2. High card hands that differ by suit alone, such as 10 8 7 6 4 and 10 8 7 6 4, are of equal rank.[6][13]

Under deuce-to-seven low rules, a seven-five-high hand, such as 7

5 4 3 2, is the best possible hand.[27] Under ace-to-six low rules, where aces have

the lowest rank, a six-four-high hand, such as 6 4 3 2 A, is the best possible

hand.[28] Under ace-to-five low rules, where aces have the lowest rank and straights,

flushes and straight flushes are not possible, a five-high hand, such as 5 4 3 2 A

or 5 4 3 2 A, commonly known as a bicycle or wheel, is the best possible

hand.[7][22]

Título principal: Southampton en la Premier League 2024-2024

Predicción de escritores de Guardian: 17º puesto (NOTA: esto no necesariamente es la predicción de Will Unwin sino la media de las predicciones de nuestros escritores)

Temporada anterior: 4º, Championship

Perspectivas

El orden alfabético sitúa a Southampton en el puesto 17º al inicio de la temporada y sería un logro si terminan la campaña en la misma posición en mayo. Se trata de un equipo juvenil a disposición de Russell Martin, pero ha planeado claramente traer veteranos durante el verano que sepan lo que es la Premier League.

Adam Lallana regresó una década después de dejar Liverpool para aportar su experiencia, aunque todos saben que no siempre estará en el terreno de juego. Lallana fue jugador-entrenador en Brighton bajo Roberto De Zerbi, alguien a quien Martin admira mucho, por lo que comprenderá lo que se exige del escocés y aportará nuevas ideas que puedan sorprender a los

oponentes.

El club ha estado activo en el mercado de fichajes, reforzándose en casi todas las áreas para tener las mejores opciones de afrontar el ascenso. Ben Brereton Díaz regresó a Inglaterra después de tiempo con Villarreal, pero pudo demostrar su valía en la Premier League en una cesión con Sheffield United, donde marcó seis goles en 14 partidos a pesar de su lamentable descenso.

Los jóvenes defensas Ronnie Edwards y Nathan Wood han sido adquiridos por su potencial y tendrán su primer sabor de la Premier League. Martin entrenó a Wood en Swansea y deseaba reunirse con el central inglés sub-21, pero sabe lo difícil que será el proceso de aprendizaje para el internacional inglés sub-21.

La pérdida de Che Adams y Stuart Armstrong deja a Southampton necesitando encontrar goles. Brereton Díaz podría ser crítico junto al máximo goleador de la temporada pasada, Adam Armstrong. Southampton disfruta jugando al fútbol ofensivo y funcionó perfectamente para ellos en la segunda división, pero pueden necesitar ser más reservados en la Premier League. Martin no ha entrenado a este nivel y la prudencia podría ser clave en la lucha por la supervivencia, pero es poco probable que se desvíe demasiado de sus ideales.

El entrenador

Russell Martin se preparó para su primera temporada como entrenador de la Premier League recogiendo un doctorado honorífico de la Universidad de Brighton en reconocimiento al trabajo que ha realizado para mejorar las vidas en su ciudad natal. Llegó a St Mary's hace un año y cumplió su objetivo de devolver al club a la Premier League derrotando a Leeds en Wembley en la final de los playoffs. El exinternacional escocés construyó las bases de su creciente reputación en MK Dons antes de pasar a Swansea, donde trabajó con medios modestos pero tuvo un gran impacto. Muchos jugadores abandonaron Southampton el verano pasado y Martin tuvo que reconstruir rápidamente, centrándose en la juventud, para traer un estilo dinámico a los Saints.

Cuadro general fuera del campo

El director técnico de Southampton, Jason Wilcox, se marchó en abril rumbo a Manchester United, por lo que la situación se ha complicado, pero todo parece estar funcionando sin un reemplazo directo. Un nuevo contrato para Martin ha mantenido el buen ambiente, con la única mancha un déficit de £87 millones antes de impuestos en el año hasta junio de 2024, pero su regreso a la Premier League fortalecerá las finanzas.

Estrella emergente

Después de dos promociones consecutivas a la Premier League con Burnley y Southampton, Taylor Harwood-Bellis finalmente tendrá su oportunidad en la máxima categoría tras completar un movimiento permanente desde Manchester City. Ha adquirido mucha experiencia en sus 22 años y es visto por sus compañeros como maduro más allá de su edad y un buen lector del juego. Ser criado en el Etihad fue una buena base para el defensa central, que es muy cómodo con el balón y desea pasar hacia adelante. Southampton tiene

La estrella A

Lo que hicieron en el verano

La máxima exportación de Stoke y ávido pescador, Ben Brereton Díaz, se preparó para su

movimiento desde Villarreal de una manera poco emocionante al representar a Chile en la Copa América, donde el equipo no logró anotar un solo gol en tres partidos. Por otro lado, Brereton Díaz se comprometió con su pareja, Kimberley Abbott, mientras estaban de vacaciones en Dubai después de escribir 'CASATE CONMIGO' en rosas en la cama. El amor estaba en el aire en St Mary's, ya que Will Smallbone decidió que la promoción a la Premier League no era suficiente para él. Propuso a su novia, Sofia Lapore, que tiene una licenciatura de primera clase en ciencias políticas y relaciones internacionales, mientras estaban de vacaciones en Los Ángeles. Ahora a planificar las despedidas de soltero.
