The epazote herb is commonly used in the cuisines and traditional medicines of central and southern Mexico and Guatemala.

Epazote has a strong taste and aroma, so not everyone takes to it right away.

It can be somewhat of an acquired taste, but it adds a wonderful rustic layer of flavor to many dishes.

While it is best to use fresh epazote, the dried form can be used if no fresh herbs are available.

The peak season for the herb is in winter, but it is available year-round.

What Is Epazote?

Epazote (pronounced eh-pah-ZOH-teh) is an aromatic herb; both the fresh leaves and tender stems are used in cooking.

The epazote plant is a leafy annual or short-lived perennial plant that can reach 4 feet in height.

Its dark green, long, slender, jagged leaves end in a point.

The flowers are green and very small; they produce thousands of tiny seeds.

As an herb, it is suitable for gluten-free, vegan, vegetarian, and paleo diets.

Origins

Native to Central America, epazote has been grown for culinary and medicinal purposes for countless generations.

This herb is used in everyday cooking in the southern Mexican state of Oaxaca and the Yucatan Peninsula among the Mayan-speaking peoples.

Epazote has spread as a weed (growing in empty lots and by roadsides) throughout a large part of North and South America and even into Europe and Asia.

The word epazote derives from Nahuatl, the language spoken by Mexican Aztecs and their ancestors.

A literal translation to English would be something like "stinky sweat" (not very appetizing!).

In some parts of Mexico and Guatemala, the plant is called pazote, ipasote, apazote, hierba hedionda ("stinky weed"), pazoli, and pizate. In Peru, it is known as paico, a word that comes from Quechua.

In English it is sometimes called goosefoot, skunk weed, wormseed, or Mexican tea; the last two of these terms allude to its medicinal use to combat intestinal parasites.

What Does It Taste Like?

Epazote has a somewhat pungent flavor profile and is described by many as "medicinal."

It has notes of oregano, anise, citrus, mint, and even tar or creosote.

The most flavor is provided by the fresh leaves and stems, and older leaves have a stronger

flavor.

Dried epazote is available, but as with cilantro, the flavor is much reduced in the dried form.

The Spruce Eats / Julie Bang

Cooking With Epazote

The flavor compounds in epazote do not stand up to heating for a long time, so the herb is added to dishes near the end of cooking.

The tender leaves and stems are used, with fresh being preferred, but dried can be substituted.

One teaspoon of the dried herb is the equivalent of one fresh stem.

Aside from its function as a flavoring, epazote is also purported to reduce the gas and bloating experienced by many when eating beans and cruciferous vegetables.

Recipes With Epazote

Epazote is most frequently used to season frijoles de la olla (pot beans), especially when they are black beans.

It is also common in stews and rustic dishes made with mushrooms or corn.

A sprig of the herb is often used inside a quesadilla made with corn tortillas.

Where to Buy Epazote

Leaves and stems of this plant are used almost exclusively in its fresh form in its native land.

Bunches of it can be purchased in some Mexican grocery stores or farmers markets.

If you can't get it fresh, grow your own; it is an easy-to-grow and hearty annual.

Epazote seeds are available online if they aren't stocked at your local garden center.

If you are unable to get it fresh and can't grow it, then at least try to get some of the herb in dried form.

You are most likely to find these at a Mexican grocery store or in the Hispanic foods section of a well-stocked supermarket.

The flavor of the dried form of this herb will be much less intense, but it will give you an authentic Mexican flavor profile that you can't get anywhere else.

Storage

Store fresh epazote either by placing the stems in a glass of water (like cut flowers), or wrap the leaves in a damp paper towel and place it into an unsealed plastic bag.

You can freeze leaves of epazote in an ice cube tray filled with water.

One frozen cube will give you the usual amount called for in most recipes.

Então: quem são esses jurados?

É compreensível que você esteja interessado, assim como nós. E há algumas informações limitadas sobre eles aqui:

Mas muitos meios de comunicação parecem determinados a se...

doxx

(ou revelar a identidade e informações pessoais, como endereços) dos jurados.

Isso provavelmente os exporia a ameaças e abusos das legiões de fãs do Trump, mesmo sem que ele lhes dissesse.

Mas dado que Merchan decidiu de forma incomum não sequestrar o júri (muitas vezes procedimento padrão poker clandestino tais julgamentos), talvez seja melhor dar a essas pessoas um pouco mais privacidade também.

Bem, depois de todos os apelos e bombástico-lágrimas está finalmente aqui: declarações iniciais no primeiro julgamento criminal do presidente dos EUA.

A seleção do júri no caso de o povo da cidade contra Donald Trump terminou na semana passada, embora não sem alguma dificuldade. Centenas dos jurados poker clandestino potencial foram demitidos ; vários choraram e alguns deles desistirão

após:

foram escolhidos.

Mas, por fim o juiz Juan Merchan desembarcou poker clandestino 18 pessoas (12 jurados e seis suplentes) que vivem na cidade norte-americana da Califórnia dizendo não ter opiniões fortes sobre Donald Trump para viesálos contra os fatos.

E há fatos abundam. Os promotores acusam Trump de falsificar registros comerciais para encobrirem uma tentativa poker clandestino influenciar as eleições 2024. Especificamente, eles dizem que ele tentou antes dessa eleição - numa época quando já estava enfrentando um calor sério por causa da fita Access Hollywood na qual se gabava dele poder agredi-las sexualmente porque era famoso – comprar o silêncio do astro pornô Stormy Daniels (que diz ter tido caso com ela 10 anos).

Os promotores dizem que Trump temia outro escândalo sexual poderia afundar suas perspectivas eleitorais, então ele pagou a ela para manter silêncio sobre o caso e seu comportamento coercitivo no quarto.

Estamos no tribunal, fique connosco.
