E e,  
Ometheing incomum aconteceu com os franceses de extrema direita durante estes Jogos Olímpicos: ele ficou horarios bullsbet silêncio. Jordan Bardella, o garoto cartaz do Rali Nacional (RN) que compartilhou horarios bullsbet vida entre manifestações públicas e estúdios da TV antes a tocha olímpica subiu-se para iluminar Paris noite há duas semanas atrás tudo desapareceu - quando ainda é falado sobre isso "é se perguntar onde poderia ter ido". No sul dos França talvez não seja na costa Amalfi ou ambos."

Marine Le Pen aparentemente está a acariciar um neto de cinco meses na Bretanha quando ela não cuida dos gatos horarios bullsbet horarios bullsbet casa nos Yvelines, segundo o jornal francês le Journal du Dimanche que assegurou aos leitores nada estava errado: é bem sabido como os líderes da extrema direita francesa sempre levaram as férias deles muito à sério. Eles agora estavam "reunindo" após terem sido derrotados no 2o turno das eleições parlamentares – totalizando seu apoio ao partido político do Partido Democrata (CJu).

Mas como poderia ser de outra forma?

Por um lado, o país teve a maior festa que alguém pode lembrar. Para qual os grimpas da extrema direita tinham se certificar de não serem convidados e era tarde demais para eles atacarem por gatecrash: é uma maldição à medida emque prospera com raiva ou divisão; O Que fazer quando todos mais pessoas - independentemente do sexo/idade / religião – cor das peles têm sido tão divertida quanto elas?

Por outro lado, o caos que eles previam não se materializou. Não houve engarrafamento de tráfego na capital ; O transporte público funcionou como um sonho apesar dos esforços do sabotadores para atrapalhar literalmente a festa sem sequer ter começado antes da partida - todos os jogos foram realizados pelo porta-voz Jacob e até mesmo as Olimpíadas tiveram problemas sérios horarios bullsbet outros lugares "mas quatro dias depois foi realizada uma cerimônia inaugural com R".

O problema paradoxal da RN patriteos

É que eles não podem se alegrar com o sucesso de seu próprio país. Certamente, a paixão mostrada para Paris e França pelo resto do mundo por fazer tal show deve inchar seus corações? Mas Não! A prefeita da cidade é socialista: O judoca mais amado Teddy Riner abraçou Emmanuel Macron como quem ganhou ouro juntos horarios bullsbet conjunto entre ele mesmo...

Havia tão poucas palhas para agarrar naquele influenciador de extrema direita, Damien Rieu. tentou girá-lo dizendo: "Sem saber isso os parisienses viveriam horários bullsbet [como] uma cidade governada pela extremidade da Direita seria como se não houvesse mais vendedores ambulantes e segurança na rua; ausência das multidões dos migrantes." Ainda pior bizarro ainda é que as palavras espalhadas por algumas plataformas ultradireitistamente corretas eram um ponto no qual o novo herói francês Léon Marchand deveria ser considerado pelo seu criador do mundo!

(o símbolo da monarquia francesa, que foi apropriado pelo ultra-direita fundamentalista católico francês), eles não perceberam o fato de esses fleursde lys serem uma referência ao brasão do seu país natal Toulouse.

A extrema direita queria que os Jogos falhassem, mas não podia dizer alto; e quando sussurravam ou recorrem à insinuação foram eles quem falharam. Não houve melhor exemplo disso do que o triunfo da boxeadora argelina Imane Khelif na frente de milhares dos espectadores dispostos a ela para vitória horários bullsbet Roland Garros sexta-feira noite depois uma fileira projetada pela International Boxing Association (Associação Internacional) #boxes] ameaçando transformar as guerras parisienses no palco mais um campo...

Todos nós vamos manter nossas próprias imagens e memórias favoritas desses Jogos, sejam elas o retorno triunfante de Simone Biles ppon Riner para as idades; a volta da honra dos heptatletas liderados pelo imenso Nafi Thiam Marchand nadando horários bullsbet água encontrada noutro planeta nos 400m medley individuais. Quanto à mim eu nunca vou esquecer Valentin Madouas subindo pelas ruas pavimentadas do Butte Montmartre

Meu Deus, como o esporte pode ser belo. Como é precioso e quão bom se sente para mostrar amor por si próprio ou pelo país quando esse Amor não está contaminado pela superioridade dada a DEUS fervor de desprezo nem ódio ao outro A bandeira tricolor horários bullsbet que as Le Pens deste mundo estão cobertas era toda gente novamente - triunfantemente assim também! E foi Marselhesa 1944 – cantada com tanta regularidade desde então...

patriteos

Tinha ganho.

Esses Jogos não por si só consertarão as fraturas que existem na sociedade francesa. Macron terá de encontrar um primeiro-ministro (Riner e Antoine Dupont foram sugerido) A extrema direita estará novamente, esperando a resquício horários bullsbet todas os ressacas depois do partido das partes todos O Que Os jogos terão mostrado no entanto é o fato dessas fraturas podem ser tão profundas quanto tínhamos E isso para muitos nós queria eles curarem Isso 'fará'.
