VOLUME 30, NUMBER 7

JULY, 2004

**Robert Schwoerer’s New Locomotive Poses in Front of Headquarters**

photo by Bill Kinzer

This new loco, a model of a GE Dash-9 diesel, is the newest in the club. It made its first appearance just about a month ago, at which time the superstructure was unpainted metal. This is how it

looked at the June public run, freshly painted in a CSX blue, gray and yellow paint scheme. Quick work!

### **ANNUAL MEETING AND PICNIC**

Don't forget, the annual club meeting and picnic is coming up on July 4<sup>th</sup>. The meeting will be held at the Hamiltons' Patapsco Valley Railroad (a map was in last month's Whistle). The picnic will start at noon, followed by the annual meeting (and election of a new board of directors). All full members are eligible to vote on the new board. For the picnic, the club will provide grills, burgers, hot dogs and fixings, but everyone is asked to bring a covered dish to share. Also, please remember what was mentioned last month: try to carpool if you can, and park down near the tracks to avoid unnecessary wear and tear on the Hamilton's lawn.

### **NEW MEMBER**

Please welcome our newest member:

MULLER, CHANTALE  
4254 BUCKSKIN LAKE DR  
ELLCOTT CITY MD 21042

AFFILIATE  
CARL  
(H)443-535-9733  
(C)410-905-1452

### **DUES ARE DUE**

Your annual club dues are now due. The dues notice and a return envelope addressed to Treasurer Jim Carpenter are stapled inside this issue of the Whistle. Why not take a minute now (before you forget) and put your payment in the envelope and mail it off. And please use this envelope only for dues, not for other club business such as receipts for reimbursement of expenditures.

### **NIGHT RUN**

We have added a night run to the schedule, on September 18<sup>th</sup>. We will start with a cookout at 6:00 PM; the club will provide the basic fixings: hot dogs and hamburgers, but plan on bringing a dish

to share. Also, if you plan to operate your locomotive after dark, be sure to have both an operating headlight and a red light for the rear of your train.

**Mike Schroeder – Dowsing for Water?**  
photo by Bill Kinzer

No, he's not looking for water; he's using a post-hole auger to dig holes for the new fence we're putting up. In case you have an irresistible urge to do the same, come on out to one of our Wednesday or Saturday work sessions. We can always use more volunteers.

## 2004 CALENDAR OF EVENTS

<u>DATE</u>	<u>TIME</u>	<u>EVENT</u>	<u>PLACE</u>
<b><u>APRIL</u></b>
